

Invitation Letter

To whom it may concern

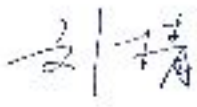

I am writing this letter to invite my mother (Jingying Qian, DOB Dec 29th 1965) to visit my husband Min and me in Auckland this coming August 26th. She will stay with us for over month.

Currently, I am an early childhood teacher and Min works as a software engineer. We own our house which is at 15 Keating Rise, Northcross, Auckland 0632. During my mum's visit, I will cover all expenses incurred for and during her visit. This will include domestic transport costs, accommodation, daily expenses, and all other related costs.

Your favourite consideration regarding her visa application will be highly appreciated. If you require more information from myself regarding this matter, please feel free to contact me through the mobile and mailbox provided below.

Your sincerely,

Qian Liu
